

2017 臺中榮民總醫院腎臟移植訓練課程

主辦單位：臺中榮民總醫院內科部腎臟科

協辦單位：台灣腎臟醫學會、台灣移植醫學會、台中縣新腎協會

日期：中華民國106年02月20日(星期一)至106年02月24日(星期五) 早上9:30~下午17:00

地點：臺中榮民總醫院 第二醫療大樓 二樓 第八會議室
(地址：台中市西屯區臺灣大道四段1650號)

- 一、課程對象：腎臟科醫師、泌尿科醫師、內外專科醫師。
- 二、名額：20位，依報名順序，額滿截止，可單天參加。
- 三、課程費用：本課程國內醫師全程免費(事先報名者提供中餐)
- 四、申請學分：腎臟科繼續教育績分(腎臟醫學會申請中)
- 五、報名方法：一律採用email報名，TCVGHKTX@gmail.com
- 六、報名期間：106年1月23日至2月12日
- 七、承辦人電話：04-23592525 轉 3057 助理洪佳芳小姐
- 八、主持人資歷現職：

吳明儒醫師 臺中榮民總醫院內科部腎臟科主任

賀吳中醫師 臺中榮民總醫院外科部移植科主任

九、講師資歷現職(依授課順序排列)：

1. 吳明儒醫師 臺中榮民總醫院內科部腎臟科主任
Kidney transplantation at Taichung Veterans General Hospital
Immunosuppressive regimens and drugs monitoring after drugs kidney transplantation
2. 陳呈旭醫師 臺中榮民總醫院內科部腎臟科主治醫師、教學研究部基礎醫學科主任
Case based discussion of kidney transplant recipients survey and peri-operative care
3. 吳麥斯醫師 臺北醫學大學管理發展中心執行長

Current status of kidney transplantation (prevalence, incidence, prognosis/survival)

4. 蔡尚峰醫師 臺中榮民總醫院內科部腎臟科主治醫師

Case based discussion of de novo and recurrent glomerulonephritis in kidney transplant recipients

Sono-guide renal allograft biopsy

5. 黃士婷醫師 臺中榮民總醫院內科部腎臟科主治醫師

Case based discussion of plasmapheresis for ABO incompatible kidney transplant recipients and antibody mediated rejection

6. 莊雅雯醫師 臺中榮民總醫院內科部腎臟科主治醫師

Case based discussion of CMV infection in kidney transplant recipients

7. 田亞中醫師 林口長庚紀念醫院腎臟科系主任

Case based discussion of living kidney donor survey and long term follow up

8. 郭弘典醫師 高雄醫學大學附設中和醫院腎臟科主治醫師

Case based discussion of post-transplant malignancy in kidney transplant recipients

9. Yang Chul Woo Professor, Director of Organ Transplant Center, Chief of Dept. Catholic University of Korea

Case based discussion for the management of kidney allograft rejection

10. 熊小澐醫師 臺中榮民總醫院放射部腹部影像醫學科主任

Case based discussion of medical images in kidney transplant recipients

11. 文美卿醫師 臺中榮民總醫院病理檢驗部一般病理科主任

Case based discussion of kidney allograft pathology

12. 賀昊中醫師 臺中榮民總醫院外科部移植外科主任

Demonstration of living kidney transplantation

13. 鍾牧圻醫師 臺中榮民總醫院內科部腎臟科主治醫師

Peri-operative care discussion

14. 吳采虹醫師 臺北榮民總醫院內科部腎臟科主治醫師

Case based discussion of BK virus infection in kidney transplant recipients

15. 黃秋錦醫師 中國醫藥大學附設醫院副院長

Case based discussion of HBV/HCV infection in kidney transplant recipients

16. 張滋榮醫師 中山醫學大學附設醫院內科部主任

Case based discussion of long term complication after kidney transplantation

17. 簡玉樹醫師 高雄長庚紀念醫院腎臟科主治醫師

Case based discussion of management of infection after kidney transplantation

18. 徐國雄醫師 林新醫院副院長，前臺中榮總內科部主任

Case based discussion of protocol of kidney transplantation

Taichung Veterans General Hospital Kidney Transplantation Training Program

Taichung Veterans General Hospital (TCVGH) is located in middle Taiwan, Taichung, one of the most livable cities in the middle Taiwan. Taiwan is known for its beauty, friendliness, and comprehensive transit system. TCVGH is the first health facility in the middle Taiwan to initiate a kidney transplant program. Since the founding of the program in 1983, our transplant team have taken care for more than 1,400 kidney transplant recipients. It has been training transplant nephrology fellows for the past 30 years. The kidney transplant program has been accredited by the symbol of national quality (SNQ) since 2014. **The kidney transplant training program of TCVGH is designed to provide all-inclusive training in renal transplant medicine.** The medical transplant team at TCVGH has primary responsibility for prescribing and adjusting immunosuppression, providing medical support for inpatients, and managing patients in the outpatient clinics. This primary and direct responsibility for patient care is a strong advantage of the TCVGH training experience. **The training is further enhanced by case based discussion to share the real-world experiences.** This program will cover current status of kidney transplantation, protocol, living donor survey, potential recipients survey, peri-operative care, management of rejection, the use of immunosuppressive drugs, management of long term complications, and real world clinical inpatients and outpatients care.

Registration fee: NTD 10,000 Free open to local trainee

TCVGH Kidney Transplantation Training Program

Date	2/20 Mon.	2/21 Tue.	2/22 Wed.	2/23 Thu.	2/24 Fri.
9:00-9:30	Opening 許惠恒院長	8:45~10:15 IS regimens and drug monitoring 吳明儒	8:45~10:15 Post-KTx malignancy 郭弘典	8:45~10:15 Demonstration of living KTx 賀吳中	8:45~10:15 HBV/HCV in KTx 黃秋錦
9:30-10:20	KTx at TCVGH 吳明儒				
10:30-12:00	Recipient survey & Peri-op. care 陳呈旭	DFPP for ABOi & AMR 黃士婷	Management of kidney allograft rejection Yang CW (Korean)	Peri-operative care discussion 鍾牧圻 吳明儒	10:20~11:50 Long-term complications 張宏榮
12:00-13:30	Lunch	Lunch	Lunch	Lunch	Program discussion 吳明儒 賀吳中
13:45-15:15	Current status of KTx 吳奕斯	Management of CMV infection 莊雅雯	13:30~14:30 Medical Image of KTx recipients 熊小瀟 吳明儒	BK virus infection 吳采虹	13:30~14:30 Management of Infection in KTR 簡玉樹
15:30-17:00	De novo or recurrent GN after KTx 蔡尚峰	Living donor survey 田亞中	14:45~16:15 KTx allograft Pathology 文美卿 吳明儒	Sono-guide renal allograft biopsy 蔡尚峰 吳明儒	14:45~16:15 KTx Protocol 徐國雄
18:30-20:30	Welcome dinner 吳明儒 賀吳中				16:15~16:30 Closing remark 吳明儒 賀吳中
