Alexander Capron

Professor, Vice Dean for Faculty and Academic Affairs, Scott H. Bice Chair in Healthcare Law, Policy and Ethics, Professor of Law and Medicine, Keck School of Medicine, Co-Director, Pacific Center for Health Policy and Ethics, University of South California

Alexander Capron is a globally recognized expert in health policy and medical ethics. He teaches Public Health Law, Torts, and Law, Science, and Medicine. He also teaches at the USC Keck School of Medicine and is co-director of the Pacific Center for Health Policy and Ethics, a campus-wide interdisciplinary research and education center. He returned to USC Gould School of Law in fall 2006 after four years on leave as director of Ethics, Trade, Human Rights and Health Law at the World Health Organization in Geneva.

Capron's publications include *Ethical Issues in Governing Biobanks: Global Perspectives* (with others, Ashgate, 2008), *Law, Science and Medicine* 2nd ed. (with others, Foundation Press, 1996), *Treatise on Health Care Law* (with others, Matthew Bender, 1991), and *Genetics, Ethics and Human Values* (edited with Z. Bankowski, Geneva: CIOMS, 1991).

Capron received a BA from Swarthmore College and an LLB from Yale University, where he was an officer of the *Yale Law Journal*. He was appointed by President Bill Clinton to the National Bioethics Advisory Commission, and served as President of the International Association of Bioethics. Capron is a trustee of The Century Foundation, an officer of Public Responsibility in Medicine and Research, and an elected member of the Institute of Medicine (National Academy of Sciences) and of the American Law Institute.

Works in Progress

- Combating Organ Trafficking and Transplant Tourism: The Impact of the Declaration of Istanbul Thus Far.
- Definition of Death, in *Encyclopedia of Applied Ethics* (R. Chadwick, ed., forthcoming, 2010).
- Rethinking Informed Consent in Research: The Beecher Lecture (2011).
- Determining Death: Settled or Unsettled?
