

ACADEMIA online workshop series

#1 Workshop's title: **Assessing the evidence: systematic reviews in transplantation**

Date & Time: **Thursday, 6 February 2025 from 12:00 to 13:30 CET**

**Rationale and
description:**

Keeping up with the expanding transplant literature is increasingly challenging. Systematic reviews and meta-analyses provide a method to evaluate the best evidence to address clinical questions in an unbiased fashion. In this interactive workshop, we will demonstrate the stages of a systematic review, explaining the methodology and potential pitfalls along the way.
